BY-LAWS OF SIGMA EPSILON CHAPTER OF TRI-ESS INTERNATIONAL

I. NAME & AFFILIATION

The name of the organization shall be SIGMA EPSILON, the Atlanta chapter of Tri-Ess International.

II. PURPOSE

In accordance with the objectives of Tri-Ess International, the primary premise for the founding of Sigma Epsilon is:

- A. To provide a place for crossdressers to come for support and advice as well as the opportunity to express their preferred mode of dress. Sigma Epsilon also provides the same support and advice for the family and friends of our members.
- B. To unite cross dressers in their pursuit of self-acceptance, in the achievement of a balance between their masculine and feminine selves – and to integrate their crossdressing into their lives in communion with their families.
- C. To provide a safe and secure venue wherein each member, their spouses or significant other may engage in activities oriented to the interests we share as Sigma Epsilon sisters.
- D. To provide information on cross-dressing to the general public in order to encourage understanding and acceptance within the community.

III. SECURITY

A. ENFORCEMENT OF SECURITY

- 1) Sigma Epsilon places a premium on preserving the privacy of and protecting the identity of our members.
- 2) Each of our members has entrusted the Board with personal and confidential information about themselves and, as such, they trust us to uphold these values through the strict enforcement of the rules, which we each adopted upon becoming a member of Sigma Epsilon.
- 3) Each member is subject to swift and immediate expulsion if found to be violating confidentiality.

B. CODE OF CONDUCT

All Sigma Epsilon members including spouses / S.O.'s, invited guests and visiting guests shall adhere to the code of conduct as outlined in these By-Laws and in the Addendum, *Sigma Epsilon Security Guidelines and Code of Conduct*. Abuse of this code of conduct may result in expulsion from the function at which the violation occurred. Serious violations may result in revocation of membership.

C. REFUSAL OF MEMBERSHIP RENEWAL

Sigma Epsilon reserves the right to refuse application for membership, or membership renewal, if the Administrative Board determines that any of the following applies to the applicant:

- 1) Applicant has not acted in the best interest of Sigma Epsilon as defined by these By-Laws.
- 2) Applicant has violated the Security Guidelines.

IV. MEMBERSHIP IN SIGMA EPSILON

A. QUALIFICATIONS:

Full membership in Sigma Epsilon shall be limited to adult Cross Dressers, and their spouses or significant others. An important part of Sigma Epsilon's mission is to provide support to these spouses and significant others, many of whom struggle with the crossdressing of their partner and its near- and long-term impact on their relationship. Experience has shown that Sigma Epsilon cannot be all things to all people and, therefore, Sigma Epsilon does not have the ability to provide the counseling, nor the support, to

ΣΕ

BY-LAWS OF SIGMA EPSILON CHAPTER OF TRI-ESS INTERNATIONAL

meet the needs of transgender persons who are on a path to full transition while still providing adequate support to these spouses and significant others.

The following criteria shall apply:

- 1) Membership in Sigma Epsilon requires a valid email address.
- 2) Membership in Sigma Epsilon may only be considered for any adult, either male or female, who has a need to express a social gender presentation considered appropriate for persons of the opposite genetic sex.
- 3) Anyone applying for new membership in Sigma Epsilon must not already be committed to a path that leads to full transition to the opposite gender.
- 4) Members who choose to pursue full transition sometime after joining Sigma Epsilon are welcome to remain members. However, those in that category must understand that Sigma Epsilon cannot provide them with the support they may need for the path they have taken.

B. SPOUSE / SIGNIFICANT OTHER MEMBERSHIP:

- 1) Any Sigma Epsilon member's spouse or significant other shall also be entitled to full and equal membership status, including the ability to hold office. This applies only if they provide a valid email address that is separate from their crossdressing partner.
- 2) Spouses and significant others are held to the same code of conduct governing all members as outlined in the Security Guidelines.
- 3) Spouses and significant others are not required to pay annual membership dues or pay meeting fees. If they choose to attend a special function that requires payment of an event fee, that event fee must be paid.
- 4) The membership of a spouse or significant other expires when the membership of their crossdressing partner expires.

C. HONORARY MEMBERS:

- 1) When a crossdresser member passes away, the surviving spouse will be offered the designation of "Honorary Member." The decision to accept that or not lies with the spouse in question.
- 2) When a non-crossdresser has performed outstanding service to Sigma Epsilon or the crossdressing community in general, that person may be nominated by any Board member to receive the designation "Honorary Member." Granting honorary membership in that case requires a simple majority vote of the Administrative Board. The decision to accept honorary membership or not lies with the person so nominated.
- 3) Honorary members may attend meetings and functions without being accompanied by a crossdresser member.
- 4) Honorary members are ineligible to hold office on the Administrative Board and may not vote in any elections.
- 5) While there is no expiration date to being an honorary member, that person must still comply with the Security Guidelines. In case of violation of those guidelines, the honorary membership may be revoked.
- 6) Honorary members are not required to pay annual membership dues or pay meeting fees. If they choose to attend a special function that requires payment of an event fee, that event fee must be paid.

D. GUESTS OF MEMBERS:

To ensure the privacy and security of our members, spouses, and significant others, all guests whom a member wishes to invite to a meeting or a function must first be approved by an active member of the Administrative Board. That Board member shall notify the President in a timely manner that such guest(s)

Access to the members' only section of the Sigma Epsilon website and the listserv email system will be suspended until such time that annual dues are brought up to date. D. MEETING FEES

- 1) All members of Sigma Epsilon, who are subject to the monthly meeting fee, must pay this fee in order to attend a meeting or function. This fee must be paid immediately upon arrival at the meeting or function regardless of the venue, time of day, or period of time spent at said meeting or function.

ADDENDUM

SIGMA EPSILON SECURITY GUIDELINES & CODE OF CONDUCT

Please Review the Following Prior to Attending Your First Meeting or Applying for Membership

We welcome all cross dressers and their spouses, partners, and family members to our meetings.

The Sigma Epsilon Security Guidelines are written and enforced to protect the privacy and security of all members and guests who attend our meetings. You will be required to identify yourself in order to participate in our activities; however, your true identity will be held in strict confidence and shared with no one in the group except the leadership. You will be known only by the name you choose to be known as, whether that is a femme name or something else. Your spouse or significant other who attends meetings may also wish to adopt a "meeting name" as well. We expect you to display the same care and respect for the privacy of other members and their guests as well.

The purpose of our meetings is to provide support and guidance as well as to encourage participation in scheduled social activities. We offer our members the opportunity to develop and express the feminine or masculine side of their personality. We expect our members to dress and conduct themselves as ladies and gentlemen. Sexual activity of any kind is not permitted as part of our meetings or functions. We are also not a "hook-up" group for people seeking sexual partners or encounters. If you are looking for friendship, camaraderie, guidance, and support in a secure environment, you are welcome to join us.

Our Guidelines

- A. Never tell a third party the location of any meeting. If you wish to bring a guest, contact an Administrative Board member first. Only guests who have been approved by an Administrative Board member are to be informed where and when we meet.
- B. Minor children (*Under the age of 18 years*) are not permitted to attend our meetings or events, except when accompanied by their legal parent(s) or guardian(s) and only if prior approval has been obtained from the President of Sigma Epsilon.
- C. While dressed "En Femme", Sigma Epsilon members or guests must adhere to the agreement with the current host hotel for use of the hotel's pool, recreational facilities, or any of the hotel's restrooms. Consult an Administrative Board member to determine the restrictions on hotel facilities.
- D. Alcoholic beverages are only allowed in the Hospitality Suite with the concurrence of the President. Smoking (including e-cigarettes) is never allowed in the Hospitality Suite.
- E. The hotel we meet in welcomes and supports us. We, in turn, must respect the rights of their other guests and management. As our hotel has many families with children as guests, we must respect their need to remain family oriented.
- F. No one is ever required to crossdress at any meetings or functions. Your personal situation and comfort level with crossdressing around others will be respected. However, when you do dress "En Femme" you must dress ladylike. The President of Sigma Epsilon shall be the arbiter of any question regarding what constitutes "ladylike" attire.
- G. Our meetings must maintain a respectable atmosphere and decorum. Therefore, no obscene, erotic, or sexual activities, articles, exhibits or items of this nature shall be allowed, in any form, during the meetings. Any member found to be soliciting any other member or meeting guest for sexual activity of any kind shall be subject to immediate and permanent dismissal from membership in Sigma Epsilon.
- H. We meet in public places such as the hotel and restaurants. We expect members and guests to dress appropriately and act accordingly. Attire appropriate for the gender you are presenting as is required in public. Provocative, fetish, overly revealing, or androgynous (partial male/female) attire is not acceptable when in public places.
- I. Our meetings include a support discussion / session where topics pertaining to cross-dressing are addressed. Specifics of the discussions are strictly confidential and must remain private.

ΣΕ

BY-LAWS OF SIGMA EPSILON CHAPTER OF TRI-ESS INTERNATIONAL

- J. Never divulge to a third party the identity, telephone number, e-mail address or other information considered private to a member or a guest without the express permission of that person. If you are asked for anyone's telephone number, take the number of the party making the request and pass it on to the member in question. Any member or guest who divulges information about another person to a third party is not welcome.
- K. Photographs may be taken at our meetings or events to document our chapter's growth. However, please do not photograph anyone -- foreground or background -- without his or her prior permission. Additionally, if you do not wish to be photographed -- inform the photographer. Take special care not to photograph anyone "en drab". Never share your photographs unless you first obtain the permission of all who are included in the picture that may be recognizable.
- L. Please immediately report any Security Guideline violations or other problems to a Sigma Epsilon Administrative Board Member. Allow them to handle any situations which may arise concerning privacy and security issues.

We have all experienced that feeling of deep concern that our secret will be discovered and the possible harm this would cause to either our loved ones or ourselves. Your acceptance of and adherence to the above rules will ensure everyone's continued security and comfort.
